I hereby certify that I am 18 years of age or older (Please Sign Here)

HOW TO ENTER: NO PURCHASE NECESSARY. All entries must be received by May 1, 2013 to be eligible. Winners will be chosen at random. Winners will be notified by phone or e-mail. Publisher and its affiliates will not be responsible for late, lost, misdirected, incomplete or illegible entries. You must be a U.S. resident and 18 years of age or older to enter. Employees (and members of their immediate families) of Publisher or any of its affiliates are not eligible. Odds of winning depend on the total number of valid entries received. All taxes (federal, state and/or local, if any) will be the responsibility of the winner. The aggregate value of the prize is approximately \$100. All federal, state and local laws apply. Void where prohibited or restricted by law.

FOR ADULTS ONLY!

SLIT THAT JUST WON'T QUIT

32867

Celeste Star is a Cuban cum-guzzler with *loads* of experience. Just how much cock she's consumed is anyone's guess, but let's just say it's enough to feed a nation of sperm swallowing sluts for a *long* time! Her lippy labia is a nookie nibbler's delight, and that donut-shaped asshole is no stranger to a jolly rogering, making this Latin spitfire the *cumplete* package to be savored and seeded in any orifice!

WATER PUMP

What's at the bottom of every rustic, lonely wishing well? Leaves. Years and years of leaves. And trash. Probably decades worth of gum wrappers and dirty condom wrappers and probably even a couple filthy needles. Oh, and pocket change. Every rube makes a wish and tosses a penny into a wishing well at some time, most likely wishing to be right in the heated middle of the action between wet brunettes **Georgia Jones** and **Sunny Leone**, here. But, not being able to hear the pair of fuck cats growls or their soft moans against the noise of the dripping water, he most likely walked away with his hard-on, thinking that his wish had never come true. Poor bastard. We know better.

HIGH SOCIETY'S CELEBRITY SKIN!

HOLLYWOOD'S FRESHEST FLESH & NEWEST NUDES

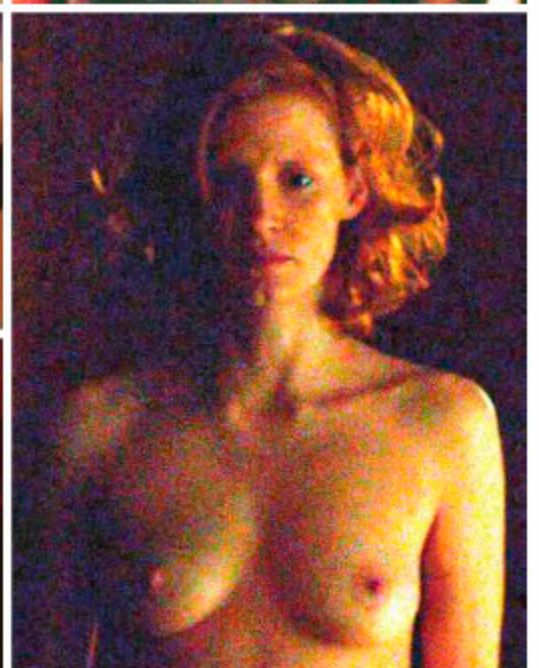

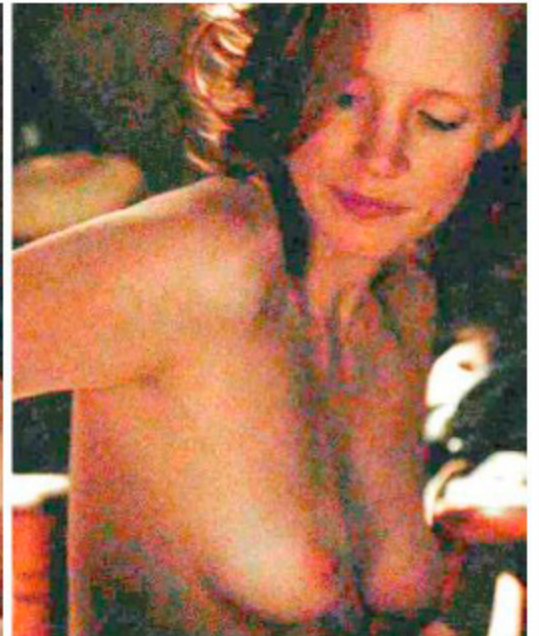

BY RAMSEY STEELE

JESSICA CHASTAIN

LAWLESS

A 2013 Golden Globe winner for her role in *Zero Dark Thirty*, Jessica proudly hoisted up her juicy jugs in last year's Prohibition-era crime drama *Lawless*—and we're not just talking about moonshine!

LAURA PREPON

LAY THE FAVORITE

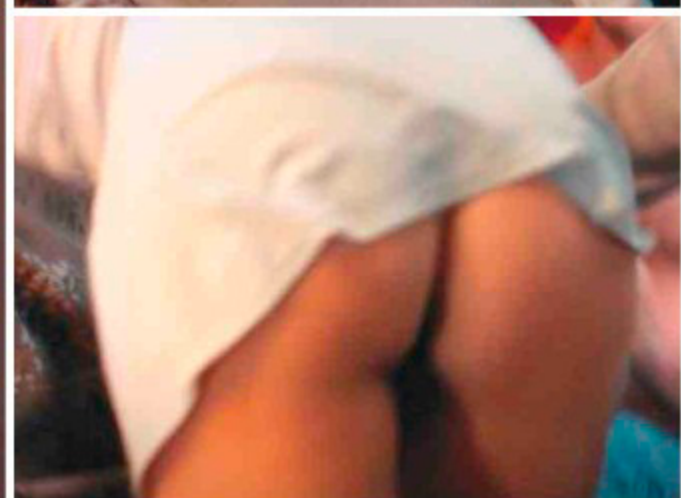

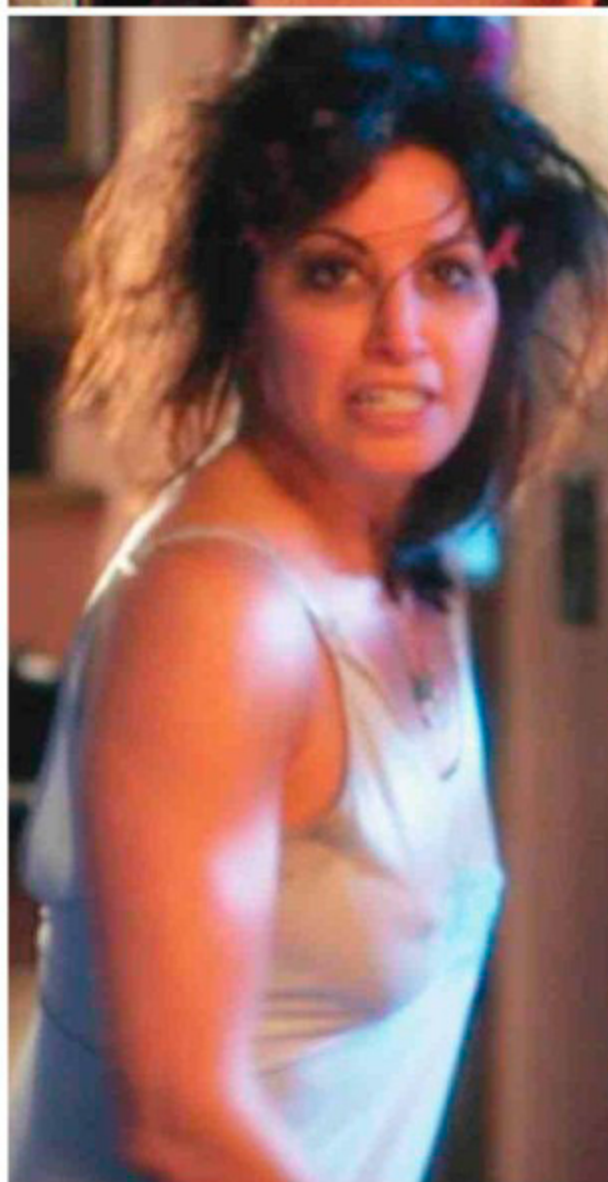

We've been waiting for luscious Laura Prepon to unleash her udders since the '70s—or, at the very least, since we fell in love with her in TV's *That '70s Show*. Our patience was rewarded with Laura's topless sunbathing scene alongside Jo Newman in the 2012 gambling comedy *Lay the Favorite*.

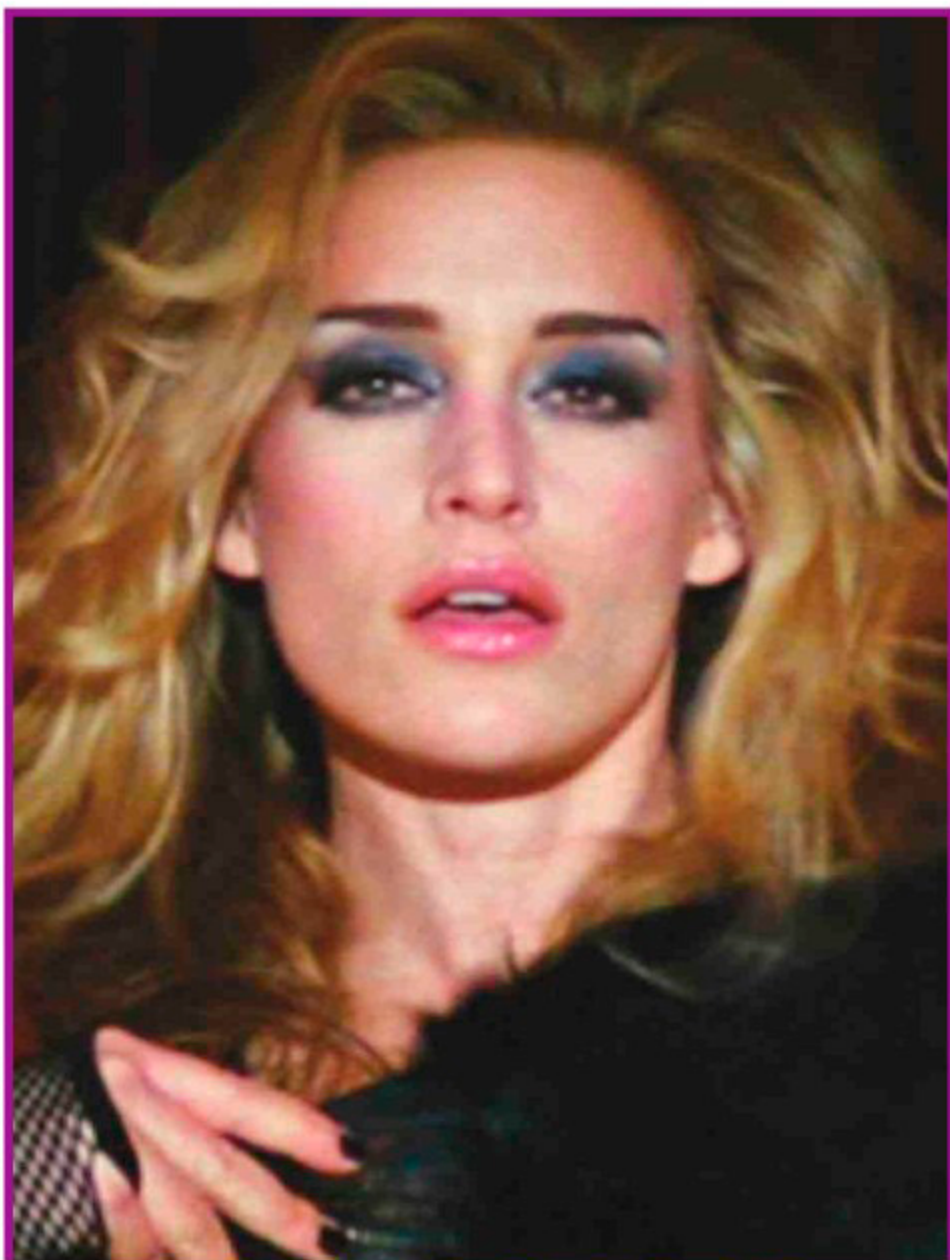

GINA GERSHON

KILLER JOE

She showed us what she had in *Showgirls* and bounded back for even more naughtiness in *Bound*, but it wasn't until the 2011 neo-noir *Killer Joe* that Gina finally ambushed us! And the emphasis here is on the "bush!"

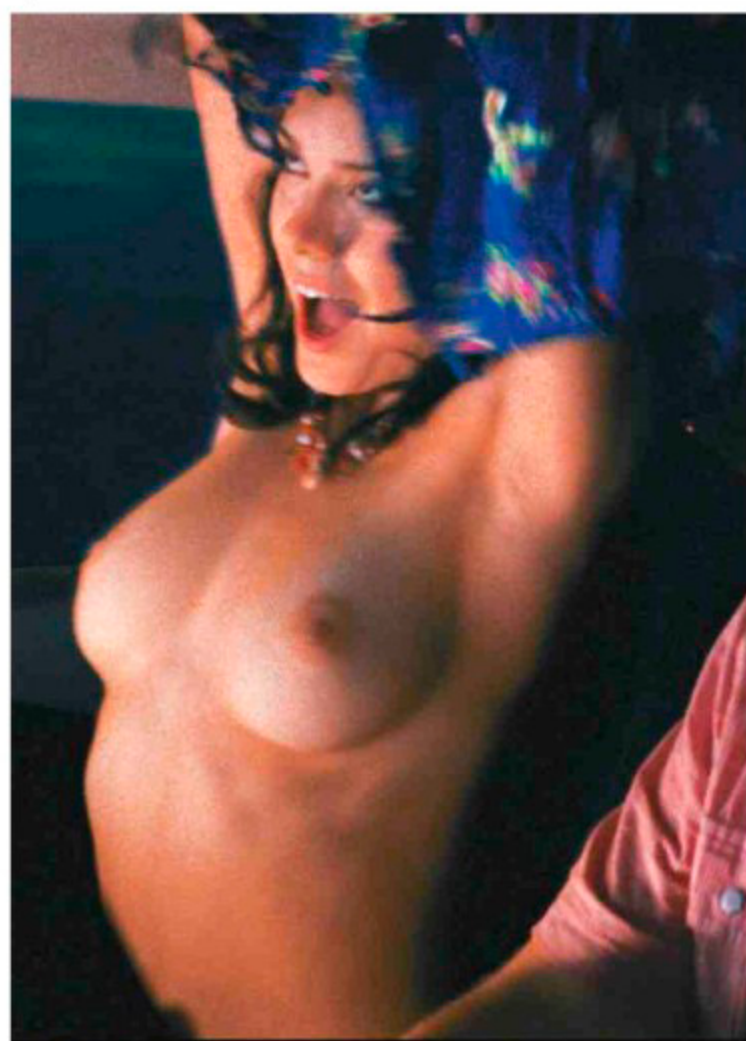

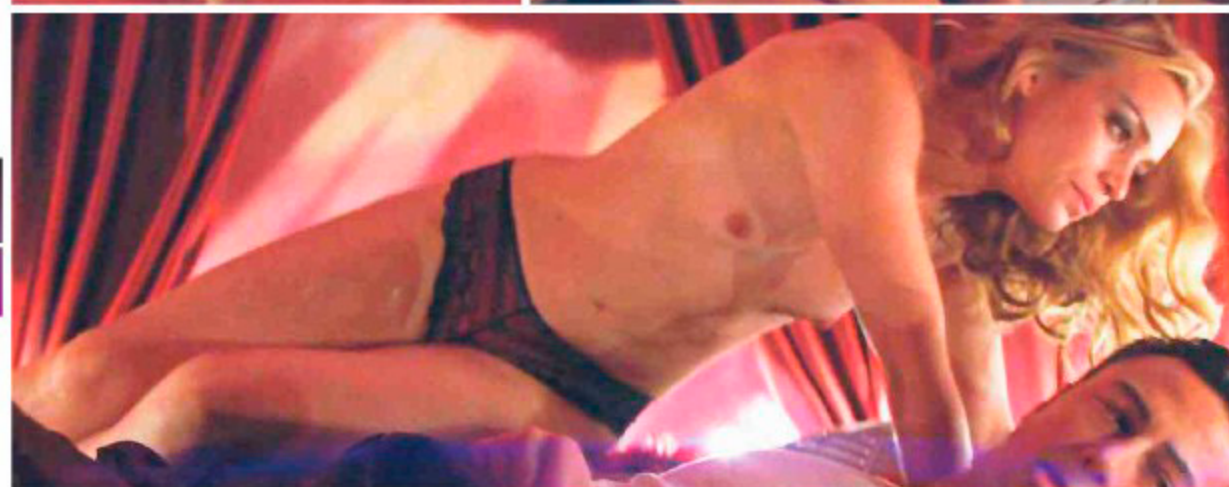

PIPER PERABO

LOOPER

The Pied Piper himself would applaud if he had seen Piper Perabo's pleasing puppies in the 2012 time-travel thriller *Looper*, which immediately had us loop-the-looping for the pause buttons on our DVD players.

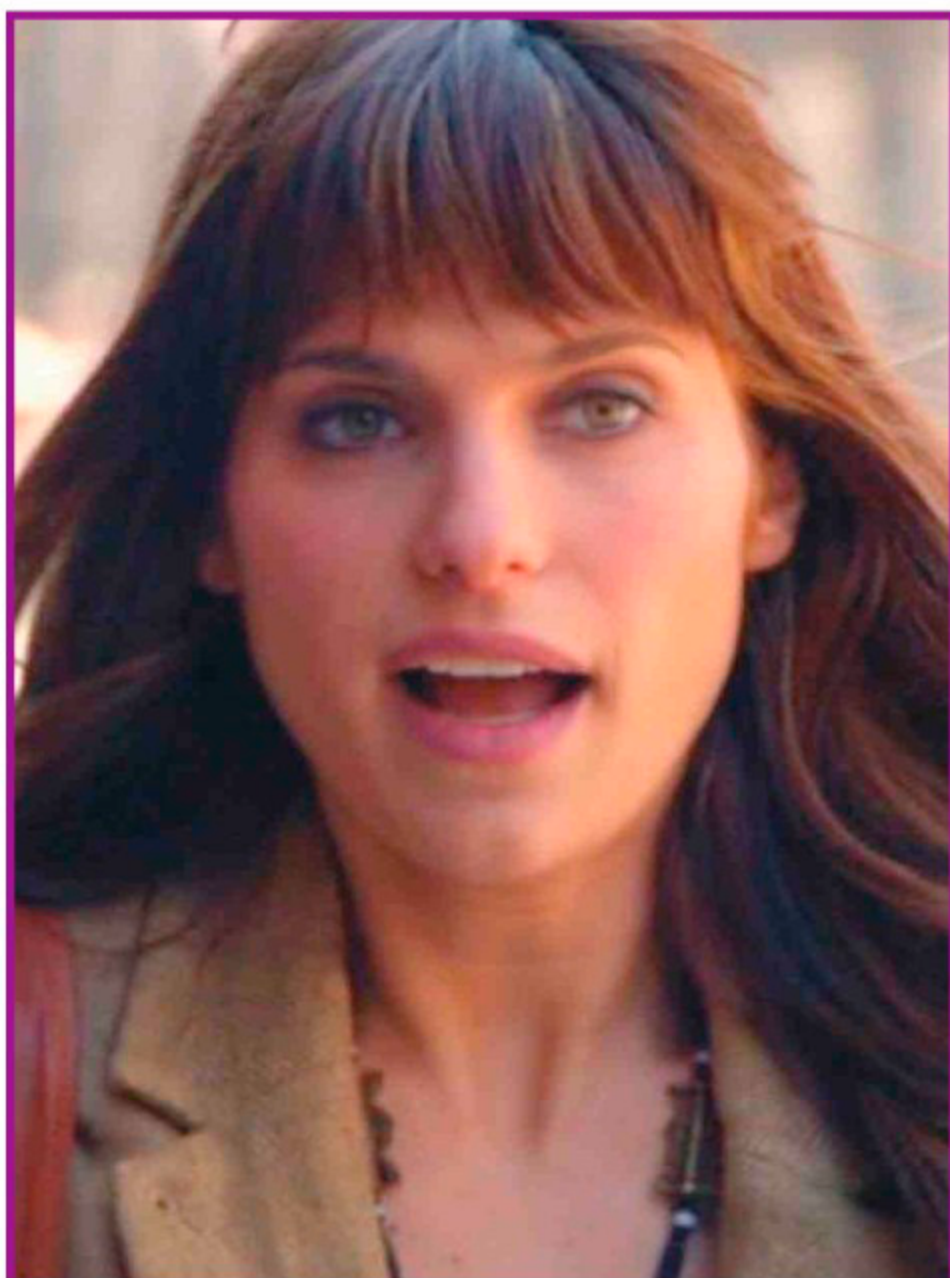

ALI COBRIN

AMERICAN REUNION

Succulently stacked siren Ali Cobrin offered a sizzling supporting turn in 2012's *American Reunion*, the latest entry in the venerable *American Pie* sex comedy series.

LAKE BELL

HOW TO MAKE IT IN AMERICA

After teasing us for years, lovely Lake rang our collective Bells when she sultrily served up her first on-screen nude sequence in a 2012 episode of the HBO comedy series *How to Make It in America*.

CAMILLA LUDDINGTON

CALIFORNICATION: SEASON FIVE

Camilla's a bubbly British babe with boobs and a butt that simply won't quit. And they proved to be winners when she unleashed them for all too ogle as a sexy nanny with a pudenda agenda in the latest season of Showtime's sexy *Californication*.

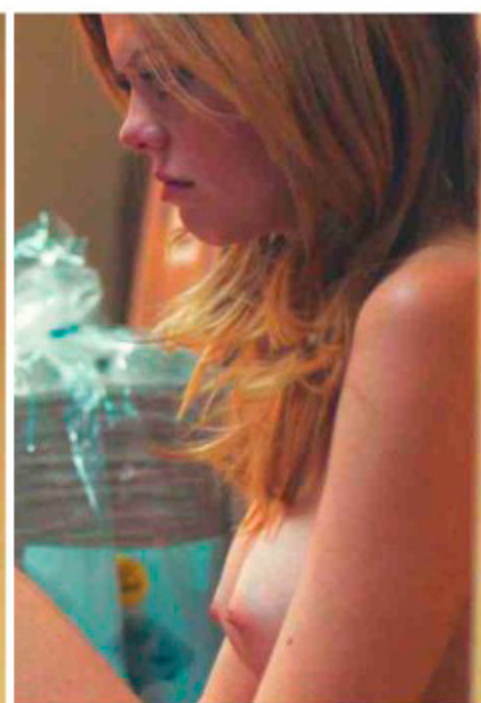

JUNO TEMPLE

KILLER JOE

Following the lead of her curvy co-star Gina Gershon, rising starlet Juno Temple was all-too-agreeable when it came to flashing her boobs, butt and bush in the carnal crime thriller *Killer Joe* (2011).

DREAMA WALKER

COMPLIANCE

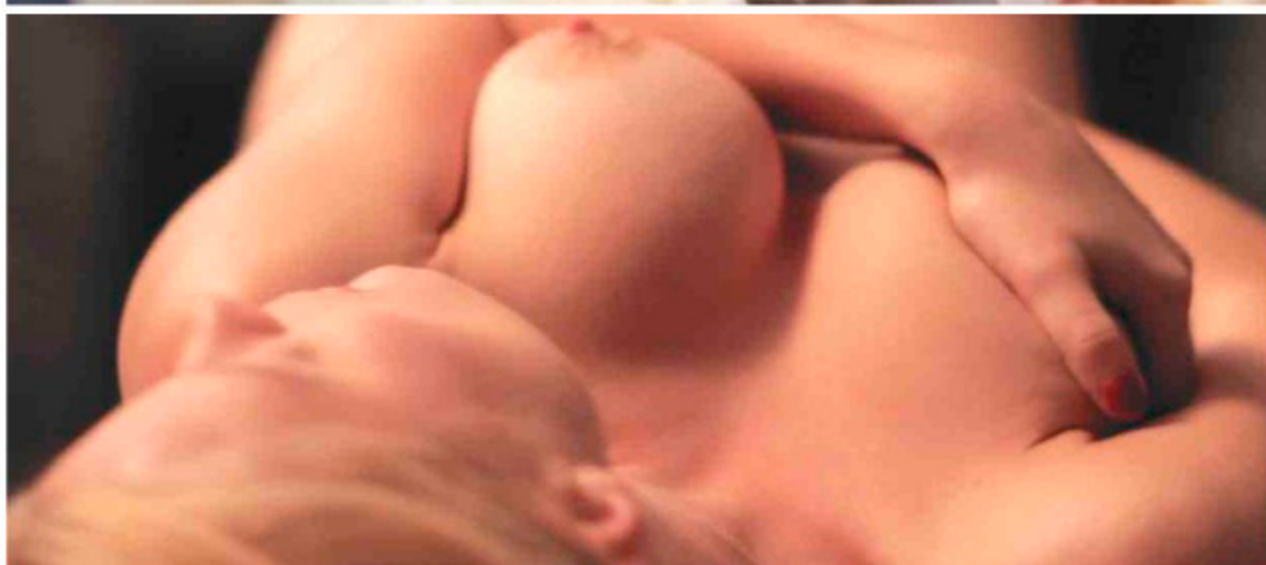

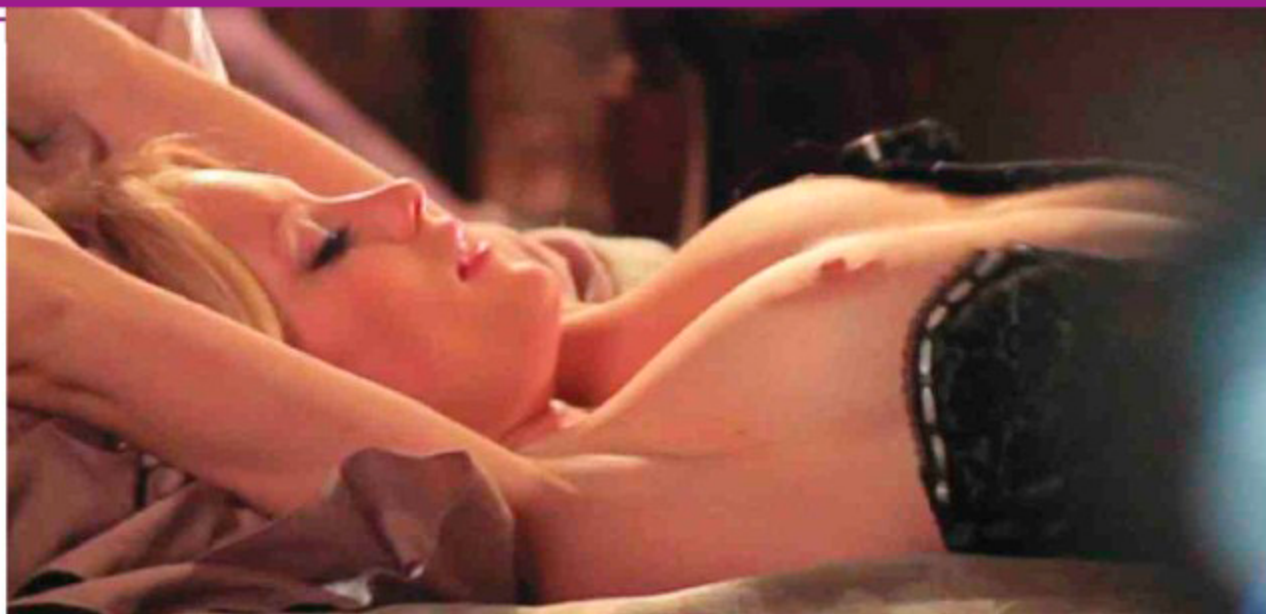

Dreama may be downright delicious in the network series *Don't Trust the B---- in Apartment 23*, but said television titillation is trumped by her very topless turn in the controversial 2012 indie drama *Compliance*.

ASHLEY HINSHAW

ABOUT CHERRY

Alluring Ashley Hinshaw unveils her remarkable rack as a young woman who arrives in San Francisco and falls into the adult entertainment business in the 2012 drama *About Cherry*, co-written by veteran porn star Lorelei Lee.

PURRFECT FIT

32778

What's this cute little kittin' sittin' on? Looks like a magic (fuck) wand—can you do any tricks with it, **Elisa**? “I can make it disappear,” explains our mesmerizing magician as she slides her dildo deep into her moist slit. And that's not the only trick up this cutie's sleeve—she can do the same thing with your penis in her mouth. “I can also deep throat your dick and tickle your tip with my tonsils!” Holy sexual bliss—that's a show no man should miss!

To see more photos
scan the code with your
Smartphone using your
QR code reader.

DIAMOND SPA

32777

HIGH SOCIETY 45

Everybody needs a little pampering now and again. **Erik** blew the better part of a paycheck to take his girlfriend **Danni** to the nicest spa in town, and then threw in on top of that to make sure she was treated like royalty and got only the best of amenities. She started out with a cup of tea and then had her pussy expertly cleaned by the spa's inked-up certified poon specialist. It takes years and years of training at the best schools, eating some of the world's wettest groin fruit, to become a licensed poon specialist. But once your mouth has passed the test, your card is punched. Your reward—often in the form of a tip. Here, poon specialist **Skin Diamond** receives Erik's tip, and then his entire shaft. Another relaxing day at the spa.

ALL ANAL ALL THE TIME!!!

ALL ANAL ALL THE TIME!!!

Large, natural-breasted **Sensual Jane** is a riddle made of sexy curves. The muck-magnet loves taking a filthy, throbbing load deep inside her cunt, between her butter-sweat breasts, or deep down her throat. But put your heiny hog near her tight ass lips and the woman goes as looney as a 'toon. Her eyes light up like headlights as her favorite fuck hole starts to foam. She lines up prick to butthole and coaxes you inside. But once in, you'll discover her trick—that anus is tighter than a Chinese finger trap made of shrunken sweaters. She'll milk you and milk you until there's no more cream left. She may not walk straight the next day, but you won't either.

YOUR KINGDOM OF CHEAP BEER
AND EXOTIC PUSSY AWAITS!

Story by PÉTER THOMPSON Illustration by WAYSHAK

“*I* t may be cloudy and miserable here, but the sun has gotta be shining somewhere—you’ve just got to find out where. And wherever there’s sunshine, there’s beer. And wherever there’s sunshine and beer, there’s a party. And wherever there’s a party, there are hot, young women looking for someone to dance with. So, why the hell are you still here? Go dance with them!”
—American Expatriate Crosby Frost

FUTILITY IS ITS OWN REWARD

When presented with the opportunity of noshing on a fresh carrot from a pleasing array laid out on a silver serving tray—whether it’s a cool and crisp carrot in its raw, vitamin-rich state or a steam-sweetened carrot braised with olive and lemon oil that’s turned a beautiful blood-orange color—most semi-conscious Americans somehow can’t be troubled to take so much as a nibble at the risk of tainting their palettes with the veggie’s lutein tang. “Thanks, Broseph,” they say, out of breath as usual, patting their paunches as though mere seconds from a vicious vomit, “none for me. I just clocked me a Zagnut.”

Sure, we’ve got time enough to clock mad Zagnuts, but precious little occasion for carrots. Yet, pull a mealy, bung-colored root crop from your poo pincher and hook it to a stick with a piece of twine, dangling it just

with the sun and commute 90 miles to an overcrowded office full of faceless, super-flatulent cubicle-dwelling Dilberts who spend the crux of their workday in the men’s room riding the porcelain pony and pulling their puds to tranny tube porn on their iPhone.

These very same people sit behind their desks for 10 or more protracted hours each and every day (and sometimes Saturdays), toiling over their wretched work which leaves them soulless and dead inside and from which they derive no discernible benefit, save high blood pressure and depression-related impotence. And they do it all in the hopes that, one day, if they keep on keeping on long enough with this inglorious, inhumane routine (perhaps 45 or 50 years) that that filthy-ass carrot might one day be theirs! Yes, of course, it’s a mother-fucking metaphor, but it’s *important*.

So here’s another “freshly yanked” carrot for you to munch on: The lies start in early childhood: Santa Claus, the Easter Bunny, God, the Tooth Fairy, your Uncle Freddy was never treasurer of an organization called NAMBLA and he certainly never stole the year’s worth of membership dues and drove a hairless Chinese boy across state lines to pay for an elective surgical operation. And we’re told that carrots are these tremendous, enchanting, and delicious veggies that are so *good* for us, yet each and every time we come into physical contact with a carrot vis-à-vis our

these carrots then we’re told we can have all the cake we want for dessert. So, life becomes an endless shell game, shuttle diplomacy between carrots and cake and cake and carrots, which inevitably leads to carrot cake, one of the most offensive and ghastly crimes ever perpetrated against humanity.

You do have a choice in this all-too-short life: Either chase that dangling carrot and pull somebody else’s plow or simply go to the produce section of the nearest grocery store and buy your own damn carrot. I’ve done it. They’re less than a buck.

You’ve now got to decide how you want to live your life before it’s too late—take a look around you.

THERE’S NO THERE, THERE

You work hard in school to get to the next grade with the promise of getting into a good college. And you get into a good college only to be told you’ve got to excel if you want to land a good job after graduation. And then you graduate and get a good job, but if you want to snag a pretty wife you’ve got to get a better job to attract and support her. And then you want that promotion so you meet the quota, and then you’re given a new higher quota. But you’re never quite satisfied, so you keep working harder and harder, in the back of your mind thinking that the *next* promotion will finally be the one that will make you completely happy. And so you get

YOU SEE THE COMMERCIALS WITH THE SENIOR COUPLE LIVING ON THE GOLF COURSE, WALKING THEIR GOLDEN RETRIEVER, AND YOU THINK, AT LAST, THAT’S IT.

slightly out of reach, and that carrot becomes the Holy Grail. That person becomes instantly and totally obsessed. We all want what we can’t have.

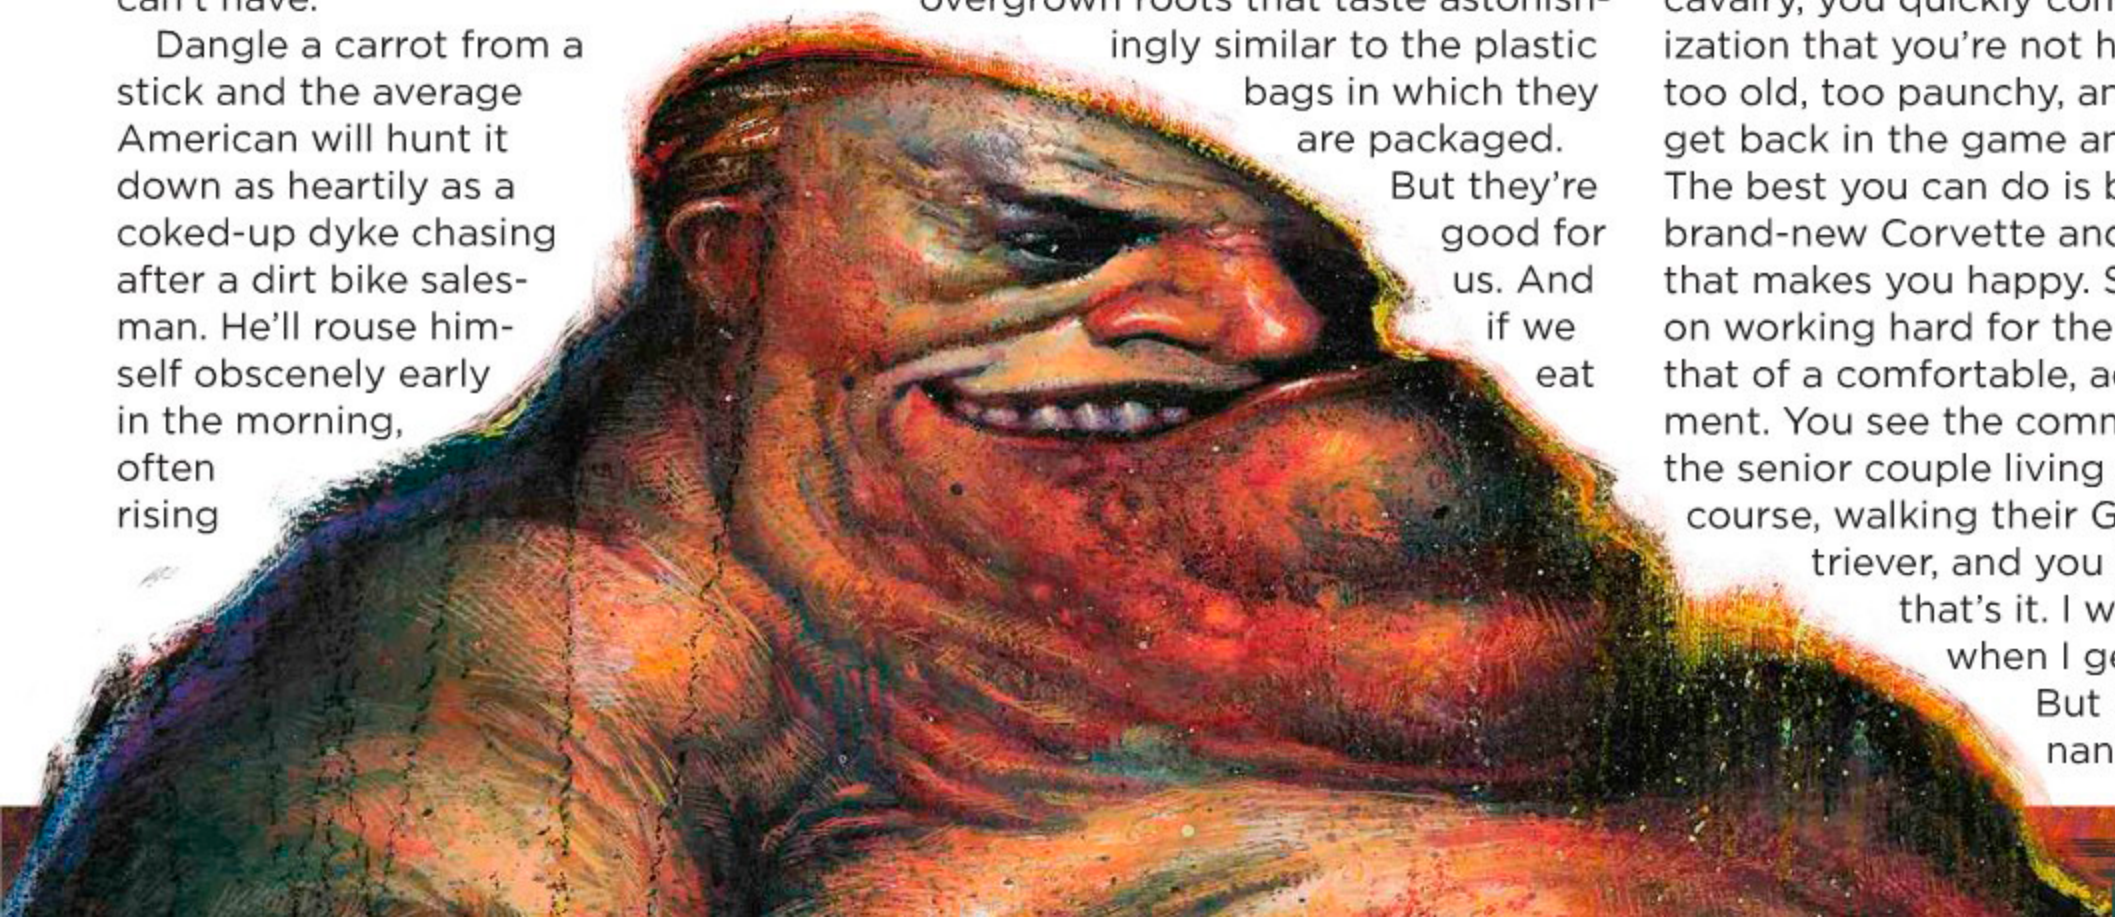

Dangle a carrot from a stick and the average American will hunt it down as heartily as a coked-up dyke chasing after a dirt bike salesman. He’ll rouse himself obscenely early in the morning, often rising

taste buds, many of us are left with the very strong feeling that they are, in fact, none of those great and wonderful things. They are bitter, slimy overgrown roots that taste astonishingly similar to the plastic bags in which they are packaged.

But they’re good for us. And if we eat

older and older and your pretty wife gets fatter and fatter and by the time her pussy starts to wake you up at night as it trumpets like a charging cavalry, you quickly come to the realization that you’re not happy, you’re too old, too paunchy, and too bald to get back in the game and start over. The best you can do is blow 60K on a brand-new Corvette and not even that makes you happy. So you keep on working hard for the final goal: that of a comfortable, active retirement. You see the commercials with the senior couple living on the golf course, walking their Golden Retriever, and you think, at last, that’s it. I will be happy when I get there.

But none of the financial planners

you've worked with ever let you in on the secret that being retired is miserable. Being retired is being old, and old age sucks. It hurts to get up and you can no longer get *it* up no matter how many Mexican Viagras you swallow. Your liver is shot from all those years of stress-relieving dry martinis after work. Your bones hurt. You've got strange growths on your skin. Nobody told you by the time you reach the age where you have actually saved up enough money to retire that you could no longer enjoy your money. All you can do is possibly play golf all day, which maybe you could've been good at if only you were 40 or 50, but now you're 75-

realization—leaving you every bit as dumbfounded as the first time you ever found skidmarks in your girlfriend's panties.

ANTISOCIAL INSECURITY

The United States of America is more than \$16.5 trillion in debt and every day we sink further and further into the bottomless cesspit of broken despair. Every single day we add another \$4 billion to our tab. America has gotten so far in the red that it

stitutional rights.

As a populace, we're basically down to two options—either the country goes bankrupt or we default on the debt. Each scenario sees the dollar becoming that much more worthless, meaning your retirement account virtually disappears overnight. All that work and all that saving will have been for naught. Social Security is already a pretty worthless proposition—relying on it to support you through your golden

NOBODY TOLD YOU BY THE TIME YOU REACH THE AGE WHERE YOU HAVE ACTUALLY SAVED UP ENOUGH MONEY TO RETIRE THAT YOU COULD NO LONGER ENJOY YOUR MONEY.

years-old and a good day at the links is a day when you don't lose control of your putter or your bowels on the 11th green. Your kids have had you declared mentally incompetent and put you in a Motel 6-turned-"retirement community" so they can get their grubby hands on your savings. Your wife is one huge bed sore and there are maggots living under her eyelids. Your number one "life-improvement" project becomes a month-long accumulation of Benadryl from the med clinic so you can do yourself in with dignity.

If the purpose of this brief, uncertain existence on this tiny, blue planet is for us to speed through our lives disconnected, discontent, and wholly miserable, attempting to elbow each other out of the way, flagrantly pushing each other down as though life is one giant Black Friday Sale in which the goal is to shamelessly acquire as much Chinese-made crap as possible, than perhaps life is not worth living. When we're single, we can't wait to meet "The One" and get married, but when we're married we reflect achingly on how much fun it is to live the single life. It's a ploy to blind us and trap us in the life that we're living—to remain productive cogs in the machinery of ceaseless progress. To keep that hamster wheel spinning until our last breath, only to discover that the entire effort's been futile—that you haven't gotten anywhere the whole time you've been running. When you finally wake up from your zombified state and see things clearly for the first time, it can be a shocking

is reasonably impossible to believe that the debt was racked up honestly—it now seems obvious that the people in power who spent us into these startling depths did so with the aspiration to completely bankrupt the country. This is not simple mismanagement and you can't blame one political party or the other. Both [Republicans and Democrats] are equally at fault—equally invested in the downfall of the republic.

When Ronald Reagan was sworn into office in 1980, the United States debt ran a scant, but alarming \$900 billion. Following The Gipper's efforts to spend the Soviet Union into the ground, the United States owed almost \$4 trillion. When President Clinton left office, we owed \$5.67 trillion. When George II left eight years later, the debt was more than \$10.2 trillion. The remarkably successful wars in Iraq and Afghanistan have cost our country nearly \$4 trillion (certainly a small price to pay to install extreme Islamist governments). By the end of Obama's first term, the debt rose another \$6 trillion.

They've all been screwing us. Both sides of Congress are doing their damndest to steer what's left of the ship of state full-speed into every last iceberg in the sea. Every working taxpayer in America now owes \$119,012—his share of the national debt. Good luck collecting that. The members of both parties should be put on trial in the Hague for financial genocide. We have spent trillions of dollars since 9/11 and gotten nothing back for it except a severe limitation of our con-

years is a like relying on cats to move your sofa.

With unemployment numbers hovering in the double digits, one in every six Americans on food stamps, and the American standard of living getting flushed down the toilet, one might ask, "What happened to all the damn money?"

WHAT HAPPENED TO ALL THE DAMN MONEY?

It used to be, you arrived at the office on your 65th birthday, put your feet up on the desk, lit a cigar, and had your secretary pour you a highball. Your co-workers came into your office singing "Jolly Good Fellow" and the firm president presented you with a gold watch for your years of devoted service. Those days are long gone. Today, nobody works for one company their entire career and no corporation is that loyal or honorable. Even if social security doesn't fold up like a cheap suit, nearly half of all American workers won't have enough money to retire at age 65, age 70, or even age 75. When you factor in inflation, wages remain at the same levels in 2013 that they were in 1970, while corporations slash pensions and medical benefits to eek out bigger profits. People can't stop working once they reach retirement age. Retirement is no longer possible for everyone, it has become a luxury only meant for the select few! For many folks, it's work until you drop dead and then have your family take out a payday loan so they can afford to bury you. But the American Dream

still exists; it just no longer lives in America.

LEAVE!

In many cities around the world, you can enjoy a high standard of living for a fraction of what it costs here at home. A week's worth of groceries, dinner at a fine restaurant, night at the symphony, even full-time household help—like a maid or a gardener—can be yours for nickels and dimes on the dollar. A house on the beach, a mountain villa, or a super-modern

home the pig so your sexy, young Central American wife can slaughter it and make the bacon.

The average Bangladeshi makes just over \$2,000 per year, or about \$1 per hour. You can get by pretty comfortably in the South Asian republic, especially if you don't mind standing water and ear hair. Cambodians have lived through a war-torn nightmare since Nixon and Nobel Laureate Henry Kissinger began illegally carpet-bombing the countryside during the heydays of the Vietnam War.

puts you solidly in the middle class in many Second World and developing nations, where a monthly income can range from just \$20 a month to \$1,600 a month. That \$40 a week you have left to spend going out on Saturday night in America will pay for you to nurse a couple overpriced beers while listening to a Dokken cover band, as you watch middle-aged, hair band tribute hussies bang anything that moves backstage. Yet that same \$40 a week spent on a Saturday night in the former Soviet

...THE AMERICAN DREAM STILL EXISTS, IT JUST NO LONGER LIVES IN AMERICA.

city condo can cost you 50% to 75% less than it might here in the States. All you need to do is make the commitment to take your life back—to exit the rat race for good and never look back.

THERE'S NO PLACE LIKE... WAIT, WHERE ARE WE?

There are places around the globe where you'll pay little to no income tax and property taxes are unheard of. You may even qualify for government-funded health care programs with free prescriptions and doctor appointments. Whether you've got a sense of wanderlust that beckons you to adventure and exploration of the world at large, or you have a yen to bang hot foreign chicks, or you are wanted in several states and need to cool your heels, sultry tropical beaches, cosmopolitan cities, and mountain hideaways are calling your name.

It's tough, if not impossible to get by on \$1,000 a month in today's America. Chances are you're taking the public bus, skipping doctor visits, and not doing a whole hell of a lot of dating. It takes money to provide the kind of security that quality women want and the average American salary is \$42,000 per year. But worldwide, the average is just \$7,000 a year, or a little less than \$600 a month. Bringing home \$1,000 a month in a Third World country like Guatemala, where the average take-home is just over \$400 per month *really is* bringing home the bacon. Or, rather, bringing

Luckily, most of those who lived through that particular hell didn't actually *live through that particular hell*. So, while Cambodians, and frankly, most of the rest of the world, should hate us and spit on our very footprints, they're actually pretty friendly toward Americans and rather happy and content making \$4,750 annually. You can live a pretty civilized life in cities like the capital, Phnom Penh, even keeping a small weekly budget for whores.

Filipinos rake in almost 6K a year, but there is great potential for a great life in a country with so many beautiful women willing to spread their legs for such limited potential gains. You've got to keep in mind that your new, improved financial situation will put you in a new league with a new brand of ladies. Pulling down such mad duckets puts you in a very important space in Third World society—you have new respect and responsibilities. Your new neighbors *expect* you to find a hot, young wife. People will talk if you don't. Here at

home, a grand a month will barely pay for your anti-depressant medication. It's hard to make a move when you're forced to use a coupon to buy a woman a drink. But in El Salvador, you're suddenly an exotic foreigner with a strangely charming accent and plenty of that good American moolah. 12K a year puts you in the upper income bracket, at nearly twice the going rate of the average Salvadoran. Twelve grand a year won't rate a cross-dressing piss bum in America, but it

Republic of Georgia (where the average salary is less than 5K per annum) you can buy a round of beers for everybody at the bar while you listen to the actual band, Dokken, and watch young native girls peel off their tight panties to the sweet sounds of whatever Dokken sings.

Either way, you're suddenly much more desirable in the dating pool. You've gone from being the spit on the ground to a hardcore player just by shifting your latitude. Maybe your new nation's cash has pictures of the country's bonobo-in-chief on the currency and holes in the change, but while the locals spend 12 hours a day contracting Mesothelioma in toxic shafts mining dirt to clear \$3 a day, you can get a job teaching English to the natives. It's also a great way to meet people and the best "in" to set up dates with your super-hot, female pupils.

PLACES TO GO, PEOPLE TO SEMEN

It's a big, wide world full of friendly, smiling people, but you can't just get on a plane and go anywhere. Take a country like Sierra Leone with mile after mile of year-round, sun-kissed, white sandy beaches tasseled with lush tropical plants and coconut palms, and charming green mountains full of lush vegetation, African wildlife, and fresh seafood available unbelievably cheap. Don't let the Spaghetti Western-style name (Lioness Mountains) fool you—Sierra Leone is one of the poorest, most wretched countries on the planet, and depending on who you ask, the Western African republic is either the third or fourth most dangerous, violent place to live in the world. Despite bustling ditch digging and child mercenary industries, unemployment

rules the day. The average Leonean takes home about \$220 a year in pay (about 11 cents an hour), with many mining the country's conflict diamonds. A violent civil war lasting for the entire decade of the '90s rendered many Leoneans dead or with permanent refugee status. The capital, Freetown, known as the Paris of the illiterate, despair-filled West African Coast, is very religiously tolerant (Muslims and Christians get along better here than almost anywhere else in the world) with about half of the country enjoying potable drinking water and access to the Internet in big cities hampered only by regular electric blackouts. While it's certainly feasible to hire a big, black entourage to follow you around for less than a buck a day, finding good domestic help can be somewhat challenging, as many working-age men in Sierra Leone have had their hands chopped off in retaliation for not voting for the right rebel group.

LATEST REPORTS

ECUADOR—A developing nation, living in Ecuador on \$1,100 a month can net you a 2,800-square-foot apartment with a doorman and underground parking. If you don't want to splurge on anything but the native girls, a more reasonable 500-square-foot apartment in an older building can be yours for just \$100 a month.

THAILAND—Avoid Bangkok like a hooker with track marks and a bulge in her panties and check out the second largest city, Chiang Mai. A comfortable apartment costs around \$400 a month, Internet and cable TV are widely available, and a full-time maid will cost you about \$3 per day. Gratuities are extra.

NICARAGUA—The city of Leon is a relatively unknown place to a lot of

laundry women.

PANAMA—Panama is undergoing an expat rush, which means prices are getting higher and you're more likely to be asked where the nearest Starbucks is located. Houses, just a five-minute-walk from the beach, are plentiful for \$300 a month.

MALAYSIA—Foreign income is tax-free and foreigners are allowed to own real estate, so Malaysia may be a good place to check out if you actually have a solid income. And the country is determined to make the quantum leap from Third World to

First World in the next decade, so prices and standard of living might be jumping,

too. But right now, health care and infrastructure are modern and good food is cheap. The more adventurous—those

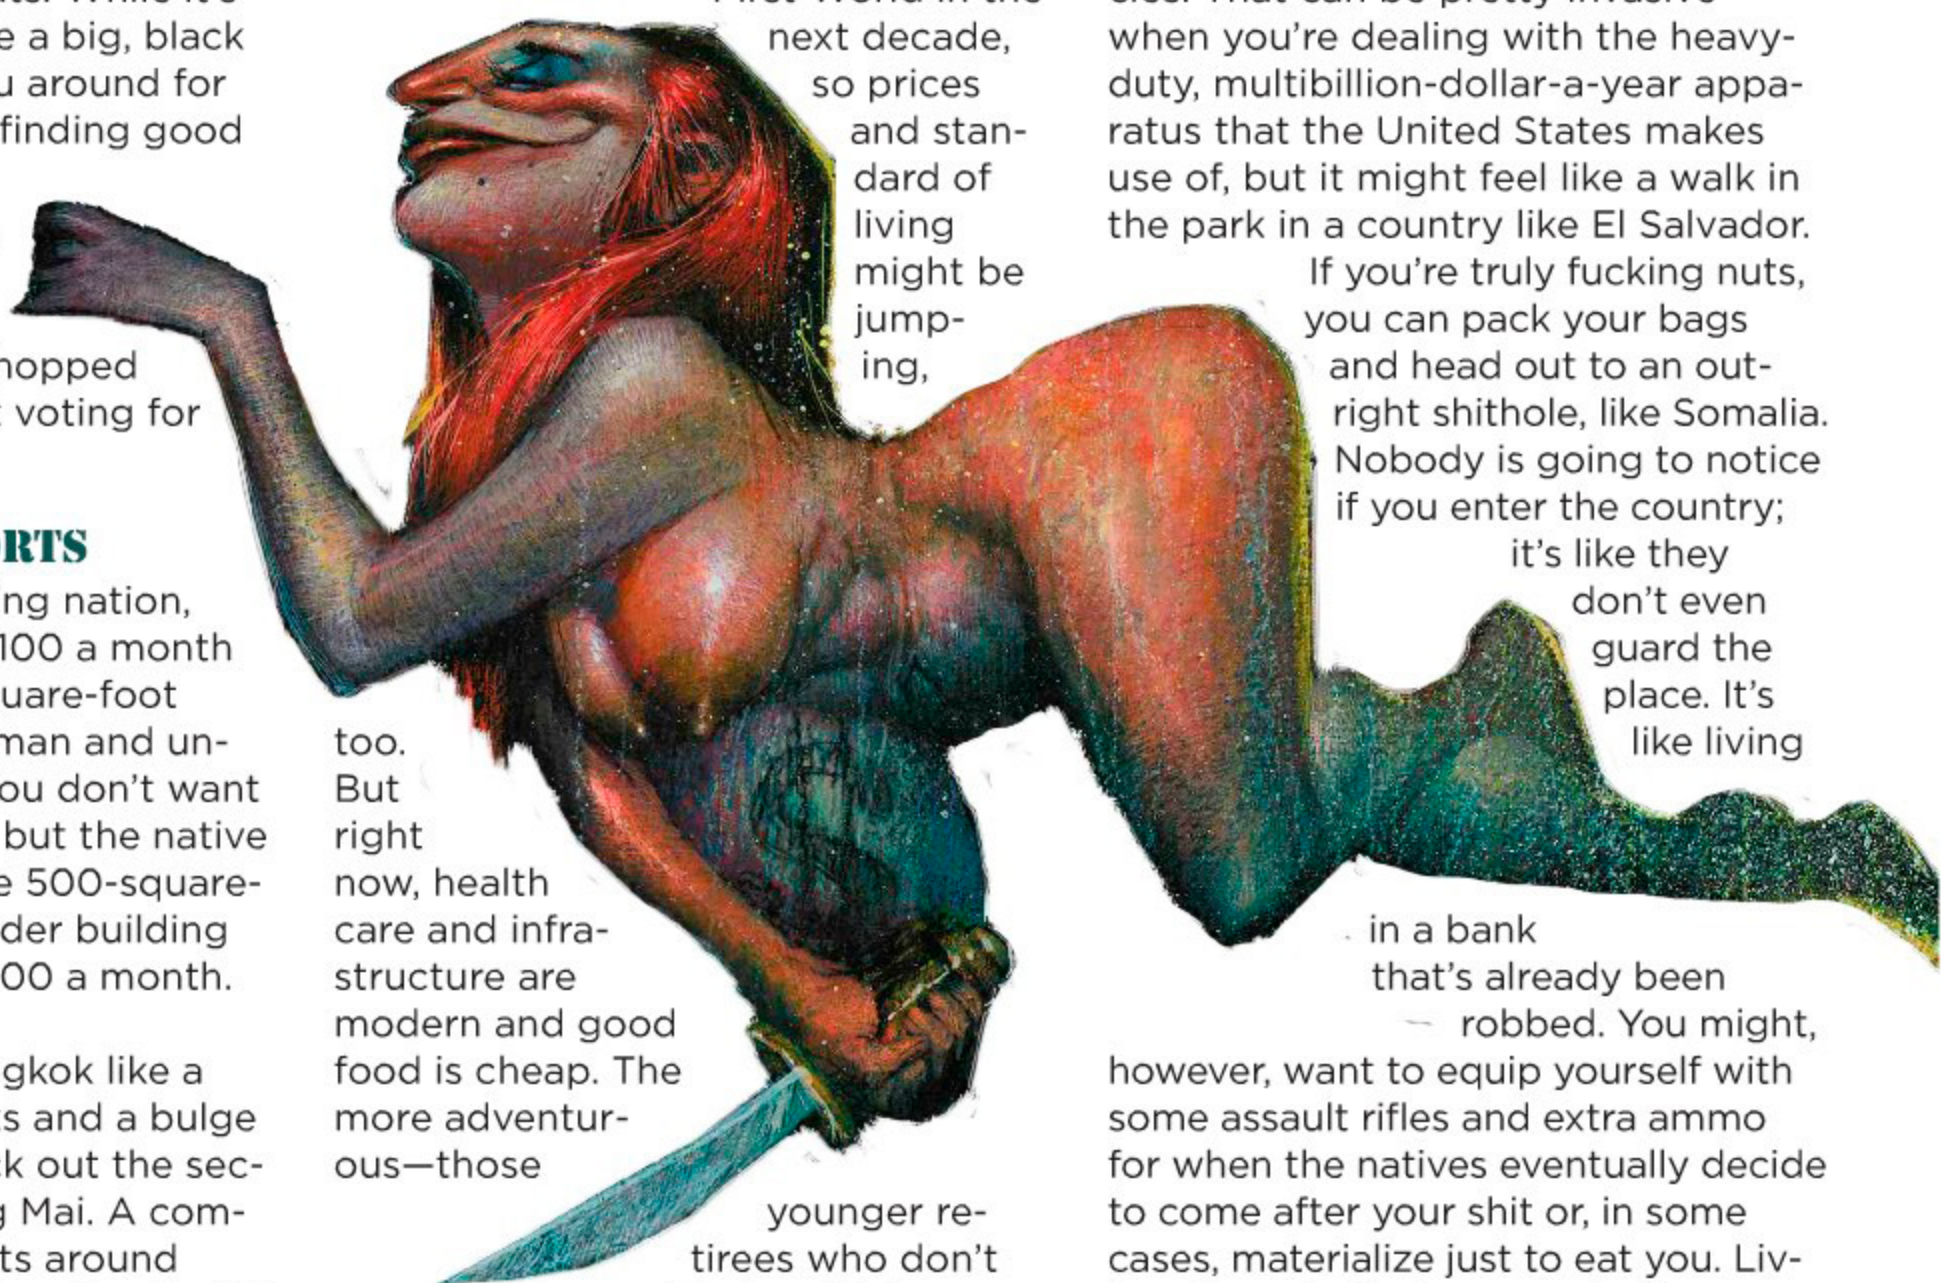

younger retirees who don't need to be within a car ride of the nearest modern hospital—can venture out into one of the rural hamlets and spare no expense living like a local. Your thousand bucks a month will seem like a lot when the average worker pulls in just under

around throwing flowers in your path and laughing at all your jokes. It's a good idea, however, to flip through the country's constitution and laws before relocating. Not every country has the Constitutional rights we once enjoyed and like to pretend we still have. At least the USA has the pretense of privacy and no unreasonable search or seizure, but at least our growing American police state will prepare you for living in a genuine banana republic commonwealth. You have to assume that any communication you make on the telephone, Internet, email, or regular mail is going to be read by various security agencies. That can be pretty invasive when you're dealing with the heavy-duty, multibillion-dollar-a-year apparatus that the United States makes use of, but it might feel like a walk in the park in a country like El Salvador.

If you're truly fucking nuts, you can pack your bags and head out to an outright shithole, like Somalia. Nobody is going to notice if you enter the country; it's like they don't even guard the place. It's like living

in a bank that's already been robbed. You might,

however, want to equip yourself with some assault rifles and extra ammo for when the natives eventually decide to come after your shit or, in some cases, materialize just to eat you. Living abroad will give you a better sense of appreciation for the quality of life and standard of living we have available to us in the United States. People in other countries die for the privileges we simply take for granted: like voting or indoor plumbing. New Delhi

SOCIAL SECURITY IS ALREADY A PRETTY WORTHLESS PROPOSITION—RELYING ON IT TO SUPPORT YOU THROUGH YOUR GOLDEN YEARS IS A LIKE RELYING ON CATS TO MOVE YOUR SOFA.

expatriates, which means the cost of living is still very low. You can rent a nice four-bedroom home for around \$500 a month, and the necessities (cable, wireless Internet) are available for \$70 a month along with lots of

three bucks a day. You can hire a dozen of them to do chores around the house. You can hire a pair of them to beat each other up all day for your amusement. You can hire a bunch of foreign sycophants to follow you

[Republic of India], Cape Town [South Africa], and Montevideo [Uruguay], are all possibilities, with lavish lifestyles. You only get some 70 years on this planet. Why waste what you have left just subsisting.

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

Introductory Trial Order . \$4.95 .. Item #8

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

TASHA REIGN

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—WHILE INTERVIEWING TASHA REIGN, WE WERE IMMEDIATELY STRUCK WITH THE NOTION THAT THIS GIRL ISN'T LIKE YOUR NORMAL INDUSTRY NEWCOMER. TASHA IS CONFIDENT, BUT SHE'S CERTAINLY NOT SELF-CENTERED. AND YES, SHE ENJOYS HER DOUBLE PENETRATION HARDCORE SCENES AS MUCH AS SHE LOVES HAVING SEX WITH WOMEN. MATTER OF FACT, THE EFFORT THAT SHE PUTS FORTH INTO EACH OF HER SCENES IS DOWNRIGHT PALPABLE. INDEED, IT IS THIS DETERMINATION THAT MAKES HER STAND OUT AND ATTRACT THE ATTENTION OF THE BIG-TIME ADULT DIRECTORS AND STUDIOS. OF COURSE, TASHA'S GORGEOUS COVER GIRL APPEARANCE DOESN'T HURT, EITHER. SHE'S APPEARED IN MTV'S REALITY SHOW *LAGUNA BEACH* AND HAS GRACED THE PAGES OF *PLAYBOY*. TASHA HAS PARLAYED THOSE EXPERIENCES AND IS NOW SETTING HER FULL-TIME SIGHTS ON PORN, HAVING RECENTLY APPEARED IN SEMINAL FLICKS *WHAT THE FUCK! BIG TITS*, *BITCHES & ASS* (EVIL ANGEL), *ANCHORMAN: A XXX PARODY* (NEW SENSATIONS), AND *BABYSITTERS DIARIES 5* (REALITY JUNKIES). IT'S THAT KIND OF INCREDIBLE WORK THAT WE HAVE COME TO EXPECT FROM THIS ONE-OF-A-KIND STUNNER. TASHA REIGN, NOT SURPRISINGLY, IS WELL ON HER WAY.

HIGH SOCIETY: *What's your opinion on Measure B ["Safer Sex in the Adult Film Industry Act," making condoms mandatory during sex scenes taking place in Los Angeles County, in addition to requiring porn producers to apply for a permit from the LA County Department of Public Health to shoot sex scenes] passing recently?*

TASHA REIGN: I think it's outrageous. It makes me once again view society differently and realize how ignorance and media literacy play such a huge factor in the American legal system.

HS: *How does it affect you personally?*

TR: I will be shooting for companies that will have to move their productions outside Los Angeles County,

and it puts adult entertainment many steps backwards in more ways than one.

HS: *Before entering the porn business did you watch movies regularly?*

TR: Yeah. I started watching porn way before I was allowed to. I'm 23, so I was into the Internet early on. I remember always being sexual and I was always watching naughty videos and sneaking them from my mom. We kept getting viruses on our computer because I kept on downloading porn. [Laughs] When I decided to do porn my mom wasn't surprised at all. She said, "You always wanted to do adult entertainment," so it made sense to her.

HS: *Before appearing in Playboy did you do anything adult-related like dance or webcam?*

TR: One of my first jobs was as a Hooters waitress in Orange County where I'm from. That was not adult, but Hooters is like a gateway drug. [Laughs] I was a hostess at a couple of my dad's restaurants in Laguna Beach. I was actually a cast member on the reality show *Laguna Beach*, Season Three, in high school when I was a junior. That was fun. It was a little thing I did. I actually never remembered that I did that until randomly a fan would say, "I remember you from that show." It's

I remember always being sexual and I was always watching naughty videos and sneaking them from my mom.

so embarrassing because when you're in high school you're just going through that awkward stage, that's how I felt. I was a stripper then I started modeling.

HS: *Laguna Beach was one of those MTV shows that really wasn't a reality show, because it wasn't scripted. [The produc-*

ers] built a series around your personal life. Correct?

TR: Yeah, they called it a reality drama. It is a reality show, but they built around what's already going on. It's a little bit different than a reality show. It was the first of its kind. It was cool. They would ask us what party we were going to and they would bring the cameras there. We would shoot it on the weekend. We had a rule at our school that we could only do it on the weekends. I was just a cast member during the third season and it was really cool to do, but to be honest the first and second

I loved my first, and only, anal scene to date. It was exciting and outside my comfort zone, and anything that tests my limits I thoroughly enjoy.

season, those were the really popular ones. Everybody watched the first season and the same cast did the second season. So when my junior year came and they asked me to do the show, people watched it, but we didn't get picked up after the third season because I think people were very loyal to the first cast members.

HS: *You don't mind talking about the show?*

TR: No. It was something very casual that I did. I had a boyfriend at the time and his parents were really religious, and they wouldn't let him do anything like that. So he couldn't film and it wasn't as fun. It probably would have been [fun] if I could've filmed with my boyfriend.

HS: *Were you a prominent cast member?*

TR: I was on every episode, but there's like 14 cast members and I was one of them. They followed seven more closely and their love lives [which they didn't do with me]. That's like the main point of the show. So it made me upset a little bit because I couldn't even do that if I wanted to since my boyfriend couldn't film. It was cool though. I don't regret doing it.

HS: *Is there any talk of a reunion show, and, if so, would MTV have any issues inviting you back because you now do porn?*

TR: I never heard of a reunion show. Our season wasn't as popular. But I really don't think they would have one. I just don't think it's relevant at all. I'm 23 now and I was 17 then, so it was quite a while ago, six years now. I went to a concert recently at the Hollywood Bowl and I looked so different than I did when I was 17 years old—every-

THE FUCK FACTS

Birthday: January 15, 1986

Birthplace: Cincinnati, OH

Height: 5'4"

Weight: 110 lbs.

Measurements: 34D-24-34

Movies: *Lapdance* (3rd Degree), *North Pole 93* (North Star Associates), *American Dad XXX Parody* (Exquisite Pleasures), *Swimsuit Calendar Girls 2012* (Elegant Angel), *Big Tits In Sports 7* (Brazzers)

body probably does—but I feel I came into my own when I moved to Los Angeles. All of a sudden this girl comes up to me and she looks so familiar, but I could not put a face to a name, which is really sad because I worked with her every weekend of my junior year of high school. But I thought for some reason she must've been from the adult industry—makeup or hair or a director—and I just couldn't figure out who she was. So I just played along. Then she's like, "Oh my god, you so *don't* remember me. I'm the producer of *Laguna Beach*, don't you remember me?" I freaked out. "Of course, I remember you." She was on set every weekend, how can I not remember? It was really funny.

HS: Do you keep in touch with anyone on the show?

TR: My girlfriends, for sure, I still talk to all the girls, casually. One of them is still my best friend. It's a really small town, so

when I go to a party I see everyone.

HS: You're friends aren't surprised you ended up doing porn?

TR: I don't know if they're surprised. It's a very conservative neighborhood. It's not accepted, so it has been a bit of a struggle for me. Nobody from our school has done anything like that and it's not really looked upon, to say the least. I think the fact that I'm graduating from UCLA probably makes them a little more accepting, they're just not into it. Let's put it that way. [Laughs]

HS: Tell me about your first on-screen anal scene. How did it go?

TR: I loved my first, and only, anal scene to date. It was exciting and outside my comfort zone, and anything that tests my limits I thoroughly enjoy.

HS: Why did you decide to have Peter North take your on-screen anal virginity?

TR: Peter is a legend and he is a unique choice. He is retiring very soon. He has never shot for anyone else's company, so it was an honor to have him shoot with me for my studio, Reign Productions.

HS: Do you and Peter have good on-screen chemistry?

TR: We have great chemistry. I have a thing for older guys, and I really love the way Peter fucks, plus, have you seen how well hung he is? [Laughs] Or how the cum shots he shoots has ropes for days.

HS: Peter North is pretty well hung; did he have trouble getting in your ass?

TR: No trouble going in my ass, but it was very intense and there is a fine line between pain and pleasure, so it all added up to be very crazy.

HS: Can you describe the scene's scenario?

TR: Pretty simple intro[duction]: I am in a Cinderella Princess Costume, which suits my personality perfectly, and then Peter storms in my room and fucks his Anal Princess.

HS: This was your first on-screen anal. How was he compared to other guys you've had anal with in your personal life?

TR: In my personal life the guys are not 10 inches and thick as an arm. They also don't pound you hard for an hour. Oh, and there's no bright lights and people watching. [Laughs]

HS: Did he give you an orgasm while he fucked you anally?

TR: Totally! I came so hard! I love an anal orgasm. It's hot and dirty, and it felt so good.

HS: When can your fans watch and where?

**In my personal life the
guys are not 10 inches
and thick as an arm.
They also don't pound
you hard for an hour.**

30003

Will it be released on DVD?

TR: It appeared in *North Pole 100*. Watch it on www.tashareign.com, and buy it on DVD soon on www.mytashareign.com.

HS: *What other male performers would you like to have anal sex with?*

TR: I'm down to be anally fucked by most of my co-workers when the time is right. I'm not doing anal scenes for a little while after this one, but I love the British boys like Ben English, Keiran Lee, and Danny Mountain.

HS: *In general, how should a guy approach a girl to have anal sex?*

TR: He should ask if it's something she wants to try and tease her and use foreplay and toys first. Then work up to the dirty.

HS: *Do you see more anal scenes for yourself in the near future? Can we crown you an Anal Queen by this time next year?*

TR: I am currently an Anal Princess, so I will have to work really hard to be an Anal Queen.

HS: *Tell me about Tasha Reign Is Sexy. Can you tell me about some of the firsts you had in the film?*

TR: I had my first two-boy-girl and anal solo in that movie. I love doing new things for my fans; they are the best!

HS: *Did you enjoy the directing process? Did you find it challenging?*

TR: I get very into everything I do and love directing. It can be challenging, but rewarding, as well, to do. You have to control everything.

HS: *How does it feel having Reign Productions distributed by Juicy [Video Distributors]?*

TR: I'm so lucky I got that opportunity, and I can't wait to work with them and create a

fabulous line of DVDs.

HS: *Why did you decide to start Reign Productions and what type of scenes will you be shooting for the company?*

TR: I like to be in control and in charge of everything I do. I love making my own shoots just the way I envision them. The scenes are pretty kinky because I try to capture either my own fantasies or ideas my Twitter followers send me.

HS: *What are some other types of scenes you haven't shot yet that you will do (DP, gangbangs, etc.)?*

TR: I am open to everything, but I want to do those type scenes when I'm ready to go hard.

HS: *Tell me about Some Like It Kinky. Can you describe for me the types of scenes*

included in this DVD?

TR: This movie is for people who like an edgy feel to their porn—a little B&D, foot fetish, and, of course, me!

HS: *Are you into kink in your personal life?*

TR: I love kinky stuff in my personal life.

HS: *Tell me about some of your other big films coming out. Are there any parodies, gonzos, or features in the foreseeable future?*

TR: I do a lot of stuff online for Brazzers, Twistys, and, tashareign.com, so you can explore!

HS: *You're a regular at the porn conventions. What do you love about going to these conventions?*

TR: I love meeting my fans and really getting to know everyone who supports our industry. Last year at EXXXotica New Jersey was extra memorable because we were able to help with the Hurricane Sandy Relief.

HS: *Why are porn conventions important in your opinion?*

TR: I think they are mostly important because the people who watch your videos are there and they're excited to meet you. It's a way to put a face to the product and get yourself out there.

HS: *What do you want to say in closing to your fans reading this in HIGH SOCIETY?*

TR: Keep cumming hard, and fucking hard, and playing hard, and partying hard...go hard!

MOM'S CUCKOLD 9

By Acme Andersson

ZOE HOLLOWAY

DIANA PRINCE

LAYLA RIVERA

MARGO RUSSO

DEVON LEE

STARRING: ZOEY HOLLOWAY, DIANA PRINCE, LAYLA RIVERA, MARGO RUSSO AND DEVON LEE WITH SLEDGEHAMMER, SEAN MICHAELS, NATHAN THREAT, JON JON AND TYLER KNIGHT **DIRECTOR:** BOBBY MANILLA **STUDIO:** REALITY JUNKIES

Funny, usually we spend a lot of our lives trying to hide shit from our mothers, thinking they won't approve. But what are our mothers doing? Some of them are into some wacky shit themselves. Not my mom, of course, but *right* now yours could be out getting fucked by a black guy, while your dad watches! Don't think so? Call home; see if they answer. It can happen in the classroom, at the doctor's office, or around the house. The place isn't what's important; it's a woman getting *really* fucked that counts. These women—Zoe Holloway, Diana Prince, Layla Rivera, Margo Russo, and Devon Lee—all share some frustration with the sexual relations they have with their spouses. A couple of them may not be aware of it, but as soon as they get a good banging, they fully understand.

The husband's are usually so shocked they don't even know what to say. They watch, sometimes eerily closely, as their wives disregard the vows and take huge snappers into their pussies. Does it always achieve the goal at hand? No. But, for the women at least, it's worth the try.

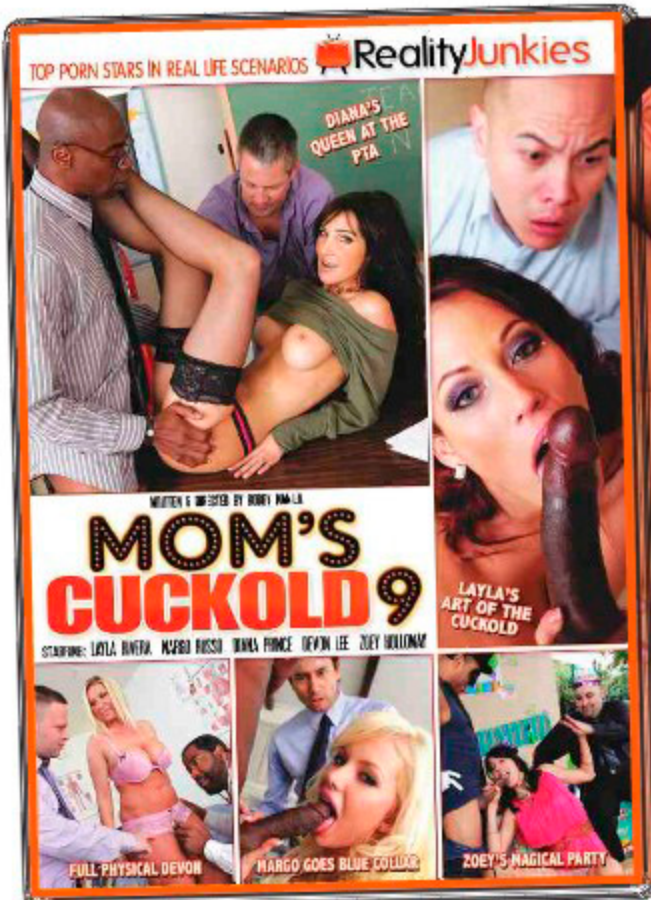

Zoe Holloway & Sledgehammer

Sometimes a guy needs to recognize when things aren't going in the right direction. As Zoe and her husband are cleaning up after their kid's birthday party, she suggests that they pay off the hired talent by letting him fuck her. Just watching you know this isn't going to be funny, at least not for hubby.

She immediately falls in love with Sledge's cock, oh, it's so *huge*, she tells her husband. She sucks him and strokes him in a way you'd think she'd been denied cock for years. "Oh, such a big cock," she

coos. "You just have to shove that thick prick into my juicy hole." So he does.

Bent over the table with Sledge banging her, she points out that her husband's cock isn't nearly as big and how nice it is to finally have something so thick, hard, and deep inside her pussy. Sledge takes her right down to Clown Town, getting her to squirt in front of her horrified husband before he blows his wad into mama's mouth. It's going to be up to the former man of the house to clean up this party mess, because his wife isn't coming down from this one for a while.

Happy Birthday, Sledge: Limp-dicked hubby sits back in horror as the hired talent buries his 10-inch dingis into wifey's steaming, wet snatch.

Sex-starved mom Diana Prince dines on teacher dark dick as her husband gets schooled again in the lousy lesson of his life: "Puny penis gets no hole!"

Diana Prince and Sean Michaels

Diana's son is having trouble in school, acting up in class, so she and her husband are called in to chat with the teacher. Mr. Michaels explains that this kind of behavior often happens as a result of a lack of intimacy between parents. He suggests they learn to share, more specifically, he thinks Diana needs to be shared—with him.

The husband agrees and they both undress Diana. Then Mr. Michaels whips out his stick and a very impressed Diana can't keep her hands and mouth off it. "Oh, I don't know how any-

one could ever act up in your classroom," she says. "I should think they'd respect your every word." Mr. Michaels suggests the husband pull out his cock, too, and he does. It's meager in comparison and Diana pays it no mind.

She leans back into the supporting arms of her husband as Sean drills away between her spread legs, then he spansks her a bit and tells him she likes it rough—this is a surprise to the husband—and then she lets the teacher screw her up the ass, that big prick stretching her anus out like it hasn't been since she got married. Mr. Michaels ends the session by spewing a big load on Diana's fine body, and we have to wonder if she won't secretly be hoping her kid keeps acting up in class.

Layla Rivera & Nathan Threat

Layla is an artist in search of inspiration. Her husband tries getting naked for her, but that doesn't do it. Instead, she decides to go for the model's cock, which is not a move her husband approves of. Nathan, the model, however, doesn't put up any resistance. Soon his expansive prick is the perfect muse and she simply shoves her husband's head between her cheeks to shut him up.

Soon Nathan is slipping and sliding right into her cooch and Layla is at her dirty-talking best, taunting her husband who watches so close you wonder if Nathan's dick is going to pop out of Layla's hole and right into hubby's mouth. Instead, hubby pulls it out and she nibbles on his little dick while Nathan nails her with gusto.

The look on her husband's face says it all—he'll never be able to fuck her right again, not after she's had this black attack. Layla's face says it, too, especially after Nathan is done banging her and covers her mug with his juices.

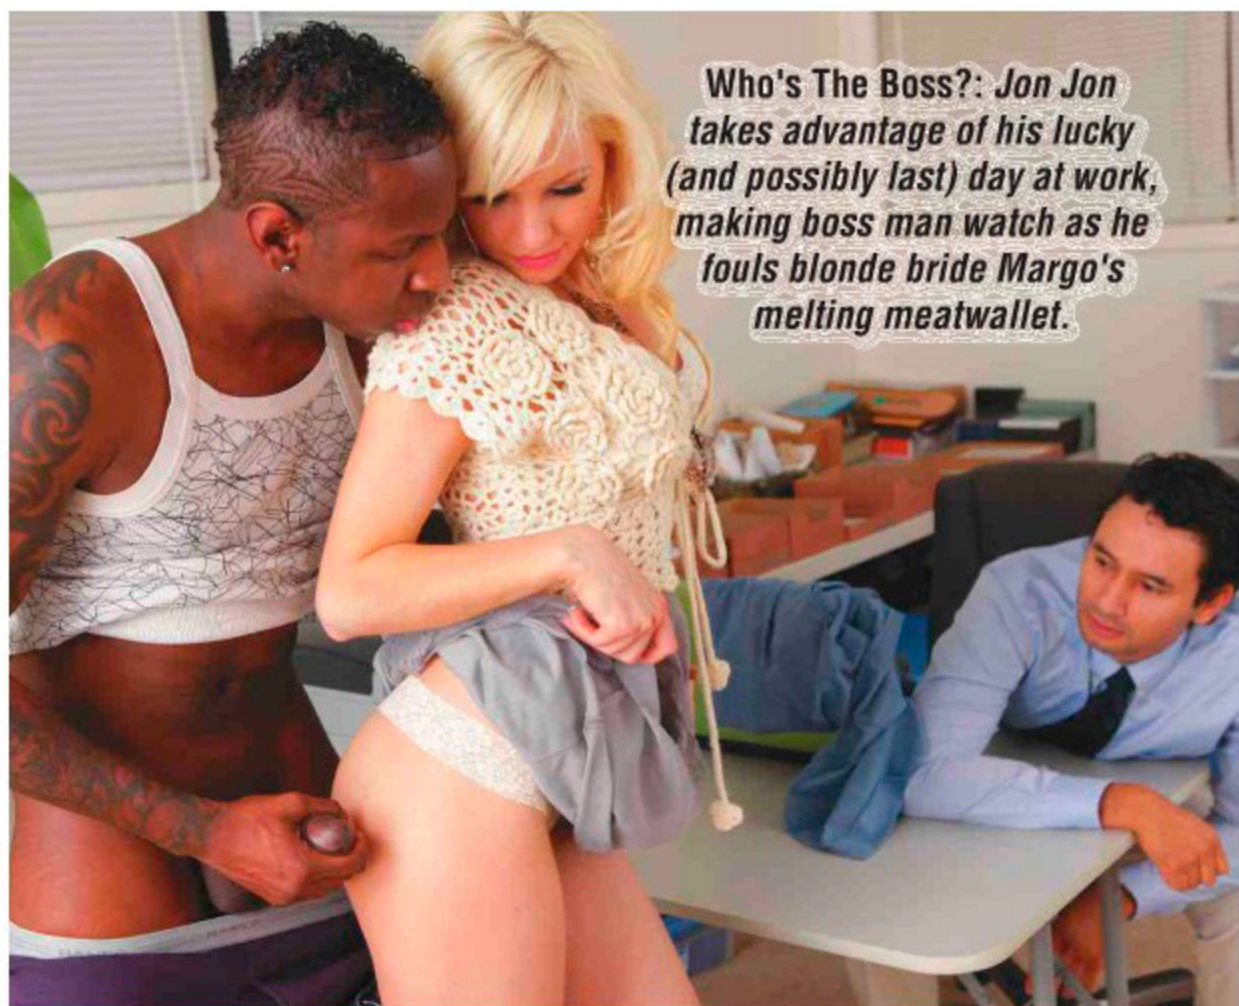

Margo Russo & Jon Jon

Margo's husband is the boss at the office, but that doesn't mean she can't put him in his place. When she shows up one day to see him berating Jon Jon, the clean up guy, she decides to make an example of him. First, the working man gets to take a break by eating out the boss' wife, then she drops to her knees to suck him off while the boss man can't do anything but stand there like a mop-up boy.

Jon Jon takes advantage of his lucky (and possibly last) day at the office and bangs the boss' wife right there on the desk. Margo really puts her beloved in his place while welcoming Jon Jon into her pink space, a filthy combination that will give anyone who's every had an asshole boss an erection.

The husband and alleged boss puts up with an incredible amount of trash talk on top of what he has to watch unfold right in front of his eyes, on his own desk, with his lowliest of employees. He looks almost thankful when Jon Jon pops his wad on his wife's face, though it's a bittersweet victory.

Who's The Boss?: Jon Jon takes advantage of his lucky (and possibly last) day at work, making boss man watch as he fouls blonde bride Margo's melting meatwallet.

*Paging Doctor Black Cock:
A dusky dick to the mouth
and vajizzle is the perfect
prescription for Devon
and her sperm-count
challenged spouse.*

Devon Lee & Tyler Knight

Devon and her husband have been trying to have a baby and go to the doctor to see what's holding them back. Upon a very thorough exam, Dr. Knight suspects the problem is that she hasn't had anything big in her pussy in a very long time. Black cock, he explains to her, is the only surefire way to ensure the elasticity a healthy vagina needs. His cock is his Black Beauty prescription.

The prescription quickly fills her mouth and in no time she is taking deep thrusts under her husband's supervision and it's not the kind of medical treatment he had in mind. Nonetheless, he sits there and takes it, however angrily, while his wife is almost literally singing the praises of her doctor's orders, her pussy coming to life and cumming on his cock.

The doctor shows his patience and eagerness to care, but he does have other patients to see, so he pulls out and drops a load on her ass. The only thing hubby can be thankful for is that the Doc hasn't just gone ahead and impregnated his beloved wife.

GIVE HER THE SHAFT

In hard rock mining, every inch of underground tunnel must be explored to properly assay the value of the ore. **Adriana Sage's** hot pink passageway is no different—first, it must be deeply drilled and then opened up for inspection. It sure looks like there are some rich treasures lying in-between her toned thighs, but you've got to strap-on a helmet and do the work necessary to verify. It could mean the difference between striking it rich and being caught in a cave in. Careful—at any time, those wet sugar walls could throb and collapse right on top of your dick, squeezing the air out of you and making you pass out. It's dangerous. Maybe exploring deep inside Adriana's shaft is better left up to machinery—something that runs on *battery power*.
